Re: FEMA FOIA Case Number 2020-FEFO-00401

Dear Mr. Janca:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), dated February 18, 2020 and received in this office on February 21, 2020. You are seeking records relating to the National Preparedness Goal, National Risk Assessment, and the National Threat and Hazard Identification and Risk Assessment (THIRA) as described in the nine (9) itemized record descriptions. We provided an interim response to you on February 9, 2021 which responded to requested items #1-8. This final response addresses the ninth and final requested item.

We conducted a search of FEMA's Office of the Administrator for documents responsive to your request. The search produced a total of 18 pages which are enclosed in full.

As part of the 2007 amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies. You may contact OGIS in any of the following ways:

In the event you wish to submit an appeal, we encourage you to both state the reason(s) you believe FEMA's initial determination on your FOIA request was erroneous in your correspondence, and include a copy of this letter with your appeal. Should you wish to do so, you must send your appeal within 90 working days from the date of this letter to fema-foia@fema.dhs.gov, or alternatively, via mail at the following address:
